

PASS CONTACT PERSON SURVEY

Name _____ School _____
optional

Job Title _____ Years Using PASS Curriculum _____

*Dear Contact Person,
This survey requests your input concerning the services provided by the PASS Program. All responses will be kept strictly confidential, and you may choose to remain anonymous. For your convenience, a stamped pre-addressed return envelope has been attached. Surveys will be tabulated and only aggregated results will be reported. Your opinions and ideas are important to help design the best possible delivery system to meet the student's needs. Thank you for your help.*

1. Have the PASS goals and procedures been communicated clearly?

Yes ___ No ___ If no, please make suggestions for improvement.

2. Is the PASS staff assisting you in a prompt and professional manner?

Yes ___ No ___ If no, please make suggestions for improvement.

3. Is there follow-up when you report problems or offer ideas for change?

4. What process is used in the placement of Migrant Students in PASS courses?

5. Is the enrollment form an efficient means of requesting PASS materials?

Yes ___ No ___ If no, how might our materials request procedures be improved?

6. Who grades and assists students in the completion of the units?

7. Who verifies the posting of official transcripts in the permanent school record?

8. Would you like to have more assistance and communication with the PASS staff?

9. How can the PASS Program Office assist you in working with your students?

10. Overall, how would you rate the quality of the following:

	4 <i>Outstanding</i>	3 <i>Good</i>	2 <i>Average</i>	1 <i>Fair</i>	0 <i>Poor</i>	<i>Unsure or Not Familiar</i>
Ordering						
Delivery						
Technical Assistance						
Curriculum Materials						
Follow-up						
Training						

11. Please list what additional course(s) are needed to help students with credit accrual.

12. Do you presently have access to the Internet?

Yes ____ No ____

If you have a Pentium level computer, we would like for you to use the computerized testing program instead of the scantrons. Please contact Russ Chinn at (559) 488-7545 for more information about electronic testing.

Comments:

Thank you for your time and assistance.
